

BOUCHERVILLE QUÉBEC CANADA

Boucherville, July 30, 2008

On the occasion of the **13th Challenge International Judo Boucherville**, the members of the organising committee desire the participation of teams representing your Club for our annual competition which will be held on **Saturday April 11, 2009** in Boucherville, Quebec, Canada.

The repute of this competition with the participation of skilled teams, the quality of the arbitration and the type of judo presented during the past years has made this event a success. At the 2008 Challenge, 46 teams totalling more than 200 competitors from 11 clubs have participated in this far-reaching event.

The **Challenge International Judo Boucherville 2009** is designed to represent every category of judokas within a dojo from benjamin to the master division. The philosophy of this competition is to allow the participation of all divisions of competitors on three (3) competition surfaces, the same day.

To permit better planing, it is important that you take notice of the rules and regulations as well as the limit date for pre-inscription, which is March 28, 2009 and March 14, 2009 for teams coming from outside North America.

Our past experiences in organising team competitions allow us to ensure the highest quality of judo to all competitors. We welcome you to Boucherville.

Sincerely,

Jacques Côté, president of the organizing committee
Challenge International Judo Boucherville
